Dear John

Re Statement of Intent for the period July 2006 – 2011

I have received a copy of a submission dated 8th June 2006 made by option4 spokesperson Scott Macindoe on your Statement of Intent. The NZBGFC as a group of 60 affiliated clubs and 31,000 members wish to give our strongest endorsement of the option4 submission, the questions it asks and observations made.

I would appreciate if MFish could include the NZBGFC as a copy address to any correspondence in response to the submission.

Thank you

Yours sincerely

Jeff Romeril
